## Child Protection & Creating Safe Environments

### *Digital Safety of Your Child*

If your child gives out personal information while online, it is easy to track and tough to completely remove. Teach your child to never share personal information such as full name, address, phone number, email, school, or birthday on any social media site. Teach them to never give anyone their passwords. Help your child set up strong passwords and do a yearly checkup on them. Adjust privacy settings for online games, apps, social media sites and your child's electronic devices. Don't forget to check the GPS settings ability to unintentionally share your child's location. Avoid using public wi-fi when sharing personal information. For additional resources visit [www.eriecd.org/childprotection/](http://www.eriecd.org/childprotection/)

## Homebound?

If you or a loved one are homebound, but wish to receive Communion and keep up with church news by receiving a mailed bulletin please call the rectory during business hours. Father Johnathan will add you to his Communion Call list.

## Ministerium Activities Report

Since January the Moshannon Valley Ministerium has released \$1453 in assistance to the needy in the Houtzdale region. This has provided housing for a family who lost their home in a fire, paid heating bills, provided food assistance and assisted with providing gas so people can get to work.

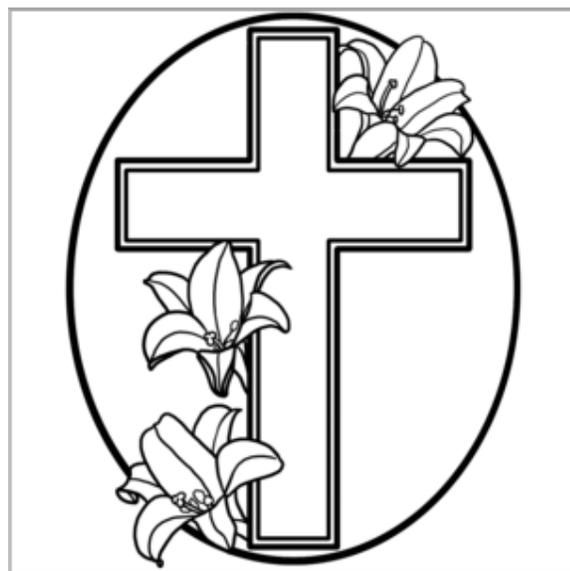

In support of this work the ministerium has received \$1550 from area churches and individual donations of \$76. The annual Lenten services generated \$1442 in support. The ministerium is grateful for the support received from our community. The funds allow the ministerium to continue to be a strong presence of hope for those in need.

The ministerium sponsors the Blessing Box along Hanna St. We are particularly looking for donations of toiletries to support the needy in the Houtzdale area. These donations can be placed in the Blessing Box or dropped off in the rear of our church.
