Transition Update

Dear Parishioners,

I hope everyone is enjoying the wonderful summer weather we have had these last few weeks. While it is nice outside, I am actively working on the partnered parish transition. I would like to give you an update today.

The transition team has met two times in the last three weeks. From our meetings the following items have been decided.

- The new mass schedule, which was announced on May 30-31, was proposed and then reviewed prior to its public announcement.
- The shared office for the partnered parishes will be located in the Parish Center at Christ the King Church. We will be converting some of the current classrooms into office space for all the staff, including myself.
- We will be publishing a single bulletin for the three partnered parishes. The cover will have the major announcements. The second and third page will feature contact information, Mass intentions, and some educational articles. Each parish will have a page with offertory and parish specific information. The final page will contain announcements and advertising that is pertinent for all parishioners. The bulletins will be distributed from the central office to all the churches in the three parishes each week.
- We discussed what we would call this new arrangement. We settled on “Catholic Parishes of Eastern Clearfield County: St. Agnes, St. Basil, and Christ the King”. To facilitate communication it was agreed that we would have a common Facebook site and website.
- We are going to centralize the counting of the collection for the three parishes at the office located at Christ the King. The collection will be counted on Monday morning during office hours.

The transition team discussed staffing needs. One significant proposed change is to have one full-time religious education director for the three partnered parishes. At a separate meeting, with the secretaries of the three partnered parishes, it was determined that the shared office would begin on July 1, 2026. The staff is working on the logistics of centralizing our parishes' files at Christ the King.

The minutes of the two transition team meetings are located on the webpage of Christ the King Parish

ctk-ic.org. Thank you for your patience. I am humbled by the support voiced to me personally and to our staff. I know that these changes are frustrating for some yet I am grateful that people are pulling together for the transition.

Please continue to pray to the Holy Spirit that we do this work to bring Jesus Christ to you and our community.

Peace in Christ,

Rev. Johnathan Schmolt
