In attendance: Fr. Schmolt, Fr. Pius, Deacon Socash, Deacon Miller, Matt Washic, Hank Tatum, Mary Key Royer, Courtney Irwin, Paul Kitko

#### Agenda

- Fr. Schmolt updated the group about the timeline of the announcement. No letter is prepared at the time of this meeting. The original hope was to announce partnership and Mass schedule details on the weekend of May 30-31. May have to take place the following weekend
- Fr. Schmolt addressed the incorrect information that is circulating the communities
- The group read the Mass schedule proposal again, with the additions since last meeting
- The location of the parish office was discussed. CTK campus is the consensus location for the office operations and religious education
  - Option A: the lower level of the current office building/rectory would need major renovation and architecture work
  - Option B: The parish center would need much less renovation and is already handicap-accessible
- Staffing options
- Next meeting dates and future religious education options
