Dear Parishioners,

It is February and winter is in full swing here at Christ the King. Lent is in two weeks with Ash Wednesday being on February 18. Today we kick off the 2026 Catholic Services Appeal (CSA).

In Christ, we are one. This is our campaign motto this year. This is indeed true for us as the Catholic Church. Our unity is expressed sacramentally in receiving the Eucharist, the one body of Christ. Our unity is further expressed in sharing our resources to do ministry in unity here at Christ the King Parish with me, your pastor, in unity as the Diocese of Erie with Bishop Persico, and in unity as the Universal Church with Pope Leo XIV. The Catholic Services Appeal is one way we share in the greater ministry of the Church.

The following is the numerical information on our Catholic Services Appeal.

Catholic Services Appeal	2025	2026
Parish Goal Set by Parish Finance Council	\$72,000	\$72,000
CSA Assessment (Money sent to the Diocese of Erie)	\$53,554	\$54,600
Funds for Parish Improvement Projects Based on Parish Goal	\$18,446	\$17,400
Actual Collected	\$48,347	<i>You Control This!</i>
CSA Assessment (Money sent to the Diocese of Erie)	\$53,554	\$54,600
Actual Funds for Parish Improvement Projects	\$(5,207)	???

For the CSA collection for 2025, we missed our parish goal by such a large amount that we actually had to use \$5,207 of our ordinary offertory collection to make up the difference to pay the CSA Assessment to the Diocese of Erie. The assessment is due

Christ the King Parish Church: 123 Good St. Houtzdale, PA 16551
Immaculate Conception Mission Church: 408 Stone St. Osceola Mills, PA 16666

just like every other bill we need to pay, regardless of the amount collected through the CSA campaign itself.

The amount owed to the diocese from the Catholic Services Appeal is calculated based on the previous two years of general offertory collected less funds spent on school subsidies and religious education. This result is then proportionally allocated across all of the parishes. This formula means that money donated through the CSA is NOT used to determine our parish's proportion of the Diocese of Erie CSA goal.

Over the last few years, capital improvements have been done for our facilities at Christ the King Church and Immaculate Conception Church. We increased our staffing by adding an Outreach Director to focus on improving our communication with our parishioners and especially reaching out to our broader community to connect new people with our Catholic faith.

The Diocese of Erie supports this local effort through Faith magazine, training opportunities for religious education, educating our future priests and deacons, and sharing our faith through our united charity work with Catholic Charities and the Missions Office. They further support me with retreats and continuing education opportunities.

Our reality is that everything costs and all costs have increased these last few years. I am striving to responsibly use your donations in consultation with our pastoral and finance councils. I know that the Diocese of Erie has been adjusting their own use of your financial donations to be as efficient as possible to the point of being short staffed.

Is this work worth my own donation, yes. I have pledged \$1260 to the Catholic Services Appeal because the work of the Lord needs my commitment in funds even when my own livelihood comes from your contributions. This is part of my tithe of 10% based on my gross income: 5% for the work of the Church, which includes my CSA donation, and 5% to other charities.

Please consider your pledge to the CSA and increase it if possible.

THANK YOU for your continued generosity! Many of you give many hours of volunteer service and behind the scenes donations to live "In Christ, we are one." It is a blessing and joy to be your pastor. Let us work together in sharing with each other the Kingdom of God.

Peace in Christ,

Rev. Johnathan Schmolt
Pastor
